

## **Benefit Review Services, Inc. (BRSi) and its subsidiary, BRSi Employee Benefit Solutions, LLC are excited to share some great news!**

**Jennifer Owings, Karen Ferro, Nicole Hill, and Adam Terry** have been appointed as “Partners” in our agency.

Each Partner has earned their agency ownership through their commitment and loyalty to BRSi, their complete knowledge of the products and services they represent and their willingness to assist and mentor their coworkers. More importantly, all four are 100% dedicated to their clients and have shown a sense of responsiveness and care that few in our industry can match. Combined, all four Partners have more than 70 years of experience with BRSi. Jennifer, Karen, Nicole, and Adam are true leaders, and I am so appreciative to have them on the BRSi team.

With this partnership, our future is secure as well as exciting. The BRSi tradition of employing knowledgeable and responsive representatives, providing competitively priced products and services, while offering the highest customer service standards in the industry, continues. I personally look forward to watching the BRSi team learn, grow, and serve.

**Please join me in congratulating all four new Partners at BRSi!**

**Kevin Hamming**

**President**
